

Wolf Creek Company branches are open during normal business hours and ready to serve.

Let's all be calm and smart! This current turmoil will pass and life will go on. Likely our Green Industry will see some slow down, but a good recovery will be right around the corner. Be ready for it!

Major changes-

- All upcoming classes and customer events are postponed.

Steps we are taking to protect our staff and customers-

- Our warehouse is disinfected multiple times per day.
- We are practicing Social Distancing and limiting staff movement.
- In-store staff has been limited to maintain essential operations.
- The length of Social interactions are to be minimized.
- Incoming inventory is sanitized to the best of our ability.

Additional Steps you can take to help us maintain a safe and healthy workplace-

- Place your order in advance by email, phone, text message, oreCommerce Customer Portal. We'll pull your order and have it ready when you arrive.
- Request a delivery. It's free! Delivery saves you time and limits exposure.
- Request curbside pickup.
- Limit the time you spend in our warehouse to an as needed basis.
- Spread the word - Send a copy to your coworkers.

Our warehouse managers are responsible for the safety of our valued customers as well our staff and are taking all precautions to keep everyone and their families safe. Obviously this is a fast moving, fluid situation so updates will need to made in order to make everyone's lives easier as well as safer.

Thank you for your cooperation in this unusual time.
